Mortgage term reduction

Your current outstanding mortgage term of 12 Years 1 Month will reduce to 11 Years 4 Months by maintaining the balances of the accounts in your offset arrangement at the current level and keeping the same contractual repayments from now until the end of your mortgage term of £2,000.00

Your original mortgage term is 25 years.

Don't forget...

Instead of reducing your repayment term you could reduce your monthly repayment to £1,509.15 . To make this change please call us on 0845 601 5610*, Monday to Friday 8:30am - 5:30pm, Saturday 9am - 1pm.

* Calls made to this number may be recorded or monitored for training purposes.

Overpayments made this month

No additional mortgage payments have been made this month.
